Jade quickly ran downstairs. Her dog was loudly barking, which meant the mailman must be here. She just had to see if her package had come. She was very excited to see what her grandparents had sent her for her birthday. Jade excitedly threw open the door. There it was! She carefully picked up the package and brought it in the house. She gently set it on the table. She carelessly tore the paper off and found a new pair of sneakers!

Flag of the United States

The picture below shows the United States' flag.

The flag's colors are red, white, and blue.

- Red is a symbol for valor, or bravery.
- Blue is a symbol for vigilance and justice.
- White is a symbol for purity and innocence.

There are fifty white stars against a blue background. Each star represents one of the fifty states in our country. Whenever a new state is added to our country, a new star is added to the flag.

There are 13 red and white stripes on the American flag. The top and bottom stripes are red. The 13 stripes represent the original 13 colonies that became states when our country was started.

Color the flag below. Be sure you use the correct colors in the correct areas.
