

Satellite Learning Sheet

Thursday, March 21st

BIBLE/DEVOTION
1. <u>Practice the Bible Verse:</u> Practice Psalm 23 NKJV (on the back of your newsletter) 2. <u>Bible Devotion:</u> Parents, please do a Bible devotion with your child.
CONFERENCES
Student-led conferences are today from 9am – 2pm. You can drop in any time that is convenient for you. The SLS is lighter today to make sure you have enough time to attend conferences and complete your schoolwork.
READING / LANGUAGE ARTS
1. <u>The Boy Who Cried Wolf</u> - Read the story out loud to an adult. - Add the missing quotation marks into the story. - Answer the questions. - Reread the story and highlight the nouns in yellow, the verbs in green, and the adjectives in orange. * If you don't have highlighters, you can use crayons or markers, and underline them instead.
MATH
<u>Measurement:</u> - Complete the measurement worksheet. Measure each object to the nearest inch. <u>Multiplication Fact Practice:</u> in SEESAW - Use the pointer tool to drag the multiplication eggs to the correct nest. <u>OPTIONAL Multiplication Game:</u> in SEESAW - Click the link to go to a multiplication game.
SCIENCE
<u>Volcano Models / Lava Barriers: DUE TOMORROW</u> - Finish your volcano model and lava barrier.
