

Satellite Learning Sheet

Thursday, May 9

BIBLE/DEVOTION
<p>1. Chapel Question: Why should we try and give God the credit for good things we do? Because there is nothing good in us, only sin. Anything Good is from Him -Eph 2:8-10 - By grace we have been saved through faith... gift of God, not of works, lest anyone should boast. -If we do boast, it's in God's blessing on our life and the gifts He has given us.</p> <p>2. Bible Devotion: Parents, please do a Bible devotion with your child.</p>
READING / LANGUAGE ARTS
<p>Boy Raises Money for Animal Shelter: Language Arts Packet Pages 285 - 286</p> <ul style="list-style-type: none">- Look through the article quickly and write a question you have about it.- Read the article.- Answer the questions on page 286.
SPELLING / CURSIVE
<p>Spelling:</p> <ul style="list-style-type: none">- Find your new spelling list.- Choose an activity on the May Spelling Activity Menu. <p>Cursive: Workbook page 37 – Print to Cursive</p> <ul style="list-style-type: none">- Practice writing printed words in cursive. (Skip the “silly spelling words” on the right).
MATH
<p>1. Math Review: 137</p> <ul style="list-style-type: none">- Answer the review questions (these are all concepts we have learned this year) <p>2. Multi-Step Word Problems: Complete the multi-step word problems. Every problem has more than one step. Make sure you do all the steps and show your work.</p> <p>3. Practice your Multiplication Facts: (OPTIONAL)</p> <ul style="list-style-type: none">- You can do this on Education.com, Fun4theBrain.com, or you can use flash cards.
SCIENCE / SOCIAL STUDIES
<p>Create a Travel Brochure: (Due Friday, May 17th)</p> <ul style="list-style-type: none">- Continue working on your travel brochure.

Student's Name: _____

My child has completed all Satellite Learning assignments _____ (initials)

Parent Comments (questions/concerns):

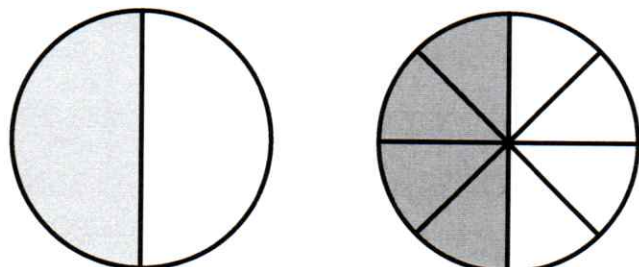

Name: _____

Math Buzz

Fill in the equivalent fraction.

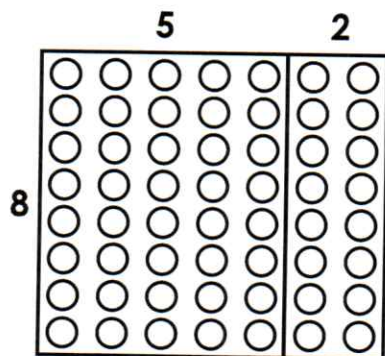

$$\frac{1}{2} = \frac{\square}{\square}$$

Complete the table.

Input	Output
18	3
30	
36	
54	

Rule: Divide by 6

Use the distributive property to solve.

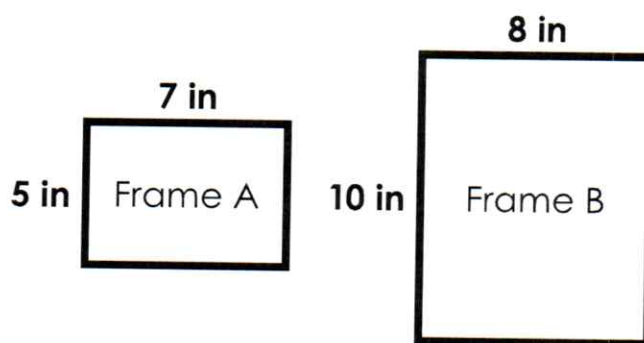

$8 \times 7 = \underline{\quad}$

$8 \times (5 + 2) = \underline{\quad}$

$(8 \times \square) + (8 \times \square) = \underline{\quad}$

Mrs. Gonzales bought two new picture frames for the family photos she printed. She needs to know how much space she'll need to hang them on her wall. Find the area of each frame.

Area of Frame A: _____

Area of Frame B: _____

Which has a greater area? _____

Fill in the missing numbers.

$4 \times 10 = \square$

$40 \div \square = 4$

$10 \times \square = 40$

$\square \div 10 = 4$

Spelling Words

I Before E Except After C

Generalization: The sound of long e may be spelled ie or ei: "i before e except after c or when sounded like *ay* as in *neighbor* and *weigh*." In a few exceptions, long e is spelled ei without a preceding c.

<u>ie</u>	<u>cei</u>	<u>ei</u>	<u>ei (long a)</u>
niece	ceiling	either	eighteen
thief	deceive	seize	neighbor
yield	receipt	protein	weigh

Challenge Word: retrieve

Spelling Words
