MAY

Bible Verses: You will find a list of May's Bible verses on the back of the newsletter.

Classroom Snapshot

Math: We are in the home stretch! This month we will be wrapping up metric conversions before ending our year with volume.

Science: We have completed our science standards for the year and will be putting them all together in a fun choose-your-own-adventure project called "The Island." This project will combine reading, research, writing, and problem-solving skills. It will also stretch the imagination, allowing students to think critically and creatively. Students will also be creating their own planet using what they've learned about the solar system.

Social Studies: We will be ending our westward expansion unit with indentured servitude before diving into economics. Students will be learning the characteristics of a market economy and will be exploring the incentives and risks of entrepreneurship. They will also explore the impact of taxation on personal finances.

Avoid the Summer Slide (Proverbs 10:5): Summer is almost upon us and that means fun in the sun and a break from school. While students deserve a much-needed break, it's helpful to do a few academic things each week to keep newly learned concepts fresh. At the end of the school year, I will be providing some online and printable resources as an option for students to use over the summer.

Graduation Celebration

We would love to celebrate our 5th graders' last year in elementary with a fun get together at Heroes Park. This will be an opportunity to fellowship together, acknowledge the students' hard work, and give them an official send off to middle school. Please keep an eye out for more information coming soon. I really hope to see you all there!

May Bible Verses

May 5th – 9th

Proverbs 4:14-17 (NKJV)

Do not enter the path of the wicked
And do not proceed in the way of evil people.
Avoid it, do not pass by it;
Turn away from it and pass on.
For they cannot sleep unless they do evil;
And they are robbed of sleep unless they
make *someone* stumble.
¹⁷ For they eat the bread of wickedness,
And drink the wine of violence.

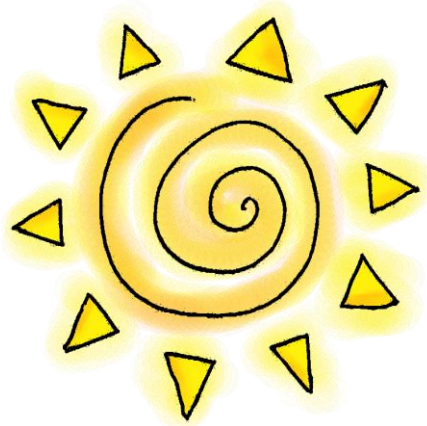

May 12th – 16th

Proverbs 22:1 (NKJV)

A *good* name is to be more desired than great wealth;
Favor is better than silver and gold.

May 19th – 23rd

None this week

He who gathers in summer
is a son who acts wisely...

~ Proverbs 10:5
