

★ All About My ★ TEACHER★

I'm so excited to teach 5th grade again this year! I've been an educator for 11 years, with experience teaching students from kindergarten all the way through high school. While I've enjoyed each grade level, 5th grade is one of my favorites! I can't wait to get to know each of you and have a fun, exciting, and memorable year together!

A little about me

- I LOVE Jesus!
- I grew up in Sun Valley, Idaho.
- I attended Boise State.
(I'm a HUGE Broncos fan)
- I have one son named Jude
(in 7th Grade at CMPA)
- I have two dogs and a cat.
- I'm a published author.
- I LOVE to teach!
